Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

An Amendment for the above-entitled application was filed on February 16, 2005. Supplementary thereto and as discussed in a phone conference with the Examiner today, an express abandonment of related parent application serial no. 10/768,876, filed January 30, 2004, has been submitted. This will make the provisional obviousness-type double patenting rejection moot. Accordingly, it is respectfully submitted that the above-entitled application is in condition for allowance, and such is respectfully requested. If it would aid in advancing this application to issue, the Examiner is respectfully urged to call the undersigned attorney for Applicant at the number below.

Respectfully submitted,
